Thanks Joy.

I wanted to close the loop distributing the brochure to the Creede area - the envelopes, printing and mailing will not be charged back to EPA for this site as long as we do it all here at the department. These services were streamlined several years ago so that they are paid by the administrative fees we charge our various funding sources.

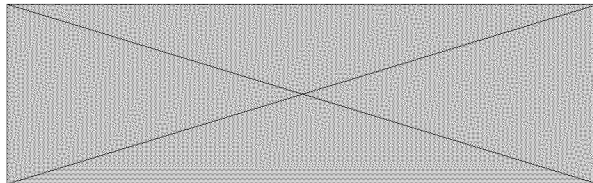

I'll finish the work of arranging with the local postmaster do distribute these for us when I return the first week of June. I will be working next week but not in the office (shuttling between Pueblo and Denver Tues-Thurs). So, I'll be on my cell phone, monitoring email and checking voice mail.

Have great weekend all!

Jeannine
